**POR FAVOR, LEE: ESTE DOCUMENTO CONTIENE INFORMACIÓN SOBRE ALGUNOS DE LOS FÁRMACOS QUE CUBRIMOS EN ESTE PLAN**

Numero de ID del Formulario 26256, Versión 12

Este formulario se actualizó el 5/1/2026. No hemos hecho cambios en este formulario desde 4/22/2026. Para información más reciente u otras preguntas, por favor contacte con el Centro de Atención al Cliente de Retiree RxCare en el 1-855-693-3921 (los usuarios de TTY deben llamar al 711), las 24 horas del día, los 7 días de la semana, o visite <http://retireerxcarepdp.com>.

**Nota para los miembros actuales:** Este Formulario ha cambiado desde el año pasado. Por favor, revisa este documento para asegurarte de que aún contiene los medicamentos que tomas.

Cuando esta Lista de Medicamentos (Formulario) se refiere a "nosotros", "nosotras" o "nuestro", se refiere a MG Insurance Company. Cuando se refiere a "plan" o "nuestro plan", se refiere a Retiree RxCare.

Este documento incluye una lista parcial de medicamentos (formulario) de nuestro plan que está actualizada a 4/22/2026. Para una lista completa y actualizada de medicamentos (formulario), por favor contáctanos. Nuestra información de contacto, junto con la fecha en que actualizamos por última vez la Lista de Medicamentos (formulario), aparece en la portada de este documento.

Generalmente debes utilizar farmacias de red para utilizar tu beneficio de medicamentos con receta. Las prestaciones, el formulario, la red de farmacias y/o los copagos/coseguros pueden cambiar a partir del 1 de enero de 2026 y de vez en cuando durante el año.

## ¿Qué es el formulario abreviado de Retiree RxCare?

En este documento, utilizamos los términos Lista de Medicamentos y Formulario para significar lo mismo. Un formulario es una lista de medicamentos protegidos seleccionados por Retiree RxCare en consulta con un equipo de profesionales sanitarios, que representa las terapias con receta que se consideran parte necesaria de un programa de tratamiento de calidad. Retiree RxCare generalmente cubrirá los medicamentos listados en nuestro formulario siempre que el medicamento sea médicamente necesario, la receta se dispense en una farmacia de la red de Jubilados RxCare y se sigan las demás normas del plan. Para más información sobre cómo surtir tus recetas, por favor revisa tu Prueba de Cobertura.

Este documento es un formulario parcial e incluye solo algunos de los medicamentos cubiertos por Retiree RxCare. Para obtener un listado completo de todos los medicamentos con receta cubiertos por Retiree RxCare, por favor contáctenos.

## ¿Puede cambiar el formulario?

La mayoría de los cambios en la cobertura de medicamentos ocurren el 1 de enero, pero nosotros, Jubilados RxCare, podemos añadir o eliminar medicamentos del formulario durante el año o añadir nuevas restricciones. Debemos seguir las normas de Medicare al hacer estos cambios. Las actualizaciones del formulario se publican mensualmente en nuestra página web aquí: <http://retireerxcarepdp.com>

**Cambios que pueden afectarte este año:** En los siguientes casos, te verás afectado por cambios en la cobertura durante el año:

- **Sustituciones inmediatas de ciertas nuevas versiones de medicamentos de marca y productos biológicos originales.** Podemos eliminar inmediatamente un medicamento de nuestro formulario si lo reemplazamos por una nueva versión de ese medicamento que aparecerá con las mismas o menos restricciones. Cuando añadimos una nueva versión de un medicamento a nuestro formulario, podemos decidir mantener el medicamento de marca o el producto biológico original en nuestro formulario, pero añadir inmediatamente nuevas restricciones.

Solo podemos hacer estos cambios inmediatos si añadimos una nueva versión genérica de un medicamento comercial o si añadimos ciertas nuevas versiones biosimilares de un producto biológico original que ya estaba en el formulario (por ejemplo, añadir un biosimilar intercambiable que pueda sustituir a un producto biológico original en una farmacia sin una nueva receta).

Si actualmente estás tomando el medicamento de marca o el producto biológico original, puede que no te lo informemos con antelación antes de hacer un cambio inmediato, pero más adelante te proporcionaremos información sobre el(los) cambio(s) específico(s) que hemos realizado.

Si hacemos ese cambio, tú o tu prescriptor podéis pedirnos que hagamos una excepción y que sigamos cubriéndoo el medicamento que se está cambiando. Para más información, consulte la sección siguiente titulada "¿Cómo solicito una excepción al Formulario de Jubilados de RxCare?"

Algunos de estos tipos de fármacos pueden ser nuevos para ti. Para más información, consulte la sección siguiente titulada "¿Qué son los productos biológicos originales y cómo están relacionados con los biosimilares?"

- **Medicamentos retirados del mercado.** Si un medicamento es retirado de la venta por el fabricante o por la Administración de Alimentos y Medicamentos (FDA) que determina que será retirado por razones de seguridad o eficacia, podemos retirarlo inmediatamente de nuestro formulario y posteriormente notificar a los miembros que lo tomen.
- **Otros cambios.** Podríamos hacer otros cambios que afecten a los miembros que actualmente toman un medicamento. Por ejemplo, podemos añadir un nuevo medicamento genérico para reemplazar un medicamento comercial que ya está en el formulario, o añadir un nuevo biosimilar para sustituir un producto biológico original que ya está en el formulario, o añadir nuevas restricciones después de añadir un fármaco correspondiente. Podemos eliminar un medicamento de marca del formulario al añadir un equivalente genérico o eliminar un producto biológico original al añadir un biosimilar. También podemos aplicar nuevas restricciones al medicamento de marca o al producto biológico original. Podríamos hacer cambios basándonos en nuevas directrices clínicas. Si eliminamos medicamentos de nuestro formulario, añadimos autorización previa, límites de cantidad y/o restricciones de terapia escalonada en un medicamento, debemos notificar a los miembros afectados del cambio al menos 30 días antes de que el cambio entre en vigor. Alternativamente, cuando un miembro solicita una renovación del medicamento, Pueden recibir un suministro de 30 días del medicamento y un aviso del cambio.

Si hacemos estos otros cambios, tú o tu prescriptor podéis pedirnos que hagamos una excepción para vosotros y que sigamos cubriendo el medicamento que habéis estado tomando. El aviso que te proporcionemos también incluirá información sobre cómo solicitar una excepción, y también puedes encontrar información en la sección siguiente titulada "¿Cómo solicito una excepción al Formulario de Retiree RxCare?"

**Cambios que no te afectarán si estás tomando el medicamento actualmente.** Generalmente, si estás tomando un medicamento de nuestro formulario de 2026 que fue cubierto a principios de año, no descontinuaremos ni reduciremos la cobertura del medicamento durante el año de cobertura 2026, salvo lo descrito anteriormente. Esto significa que estos medicamentos seguirán disponibles con el mismo coste compartido y sin nuevas restricciones

para los miembros que los tomen durante el resto del año de cobertura. Este año no recibirás notificación directa sobre cambios que no te afecten. Sin embargo, el 1 de enero del año siguiente, estos cambios te afectarán, y es importante consultar el formulario del nuevo año de prestación para detectar cualquier cambio en los medicamentos.

El formulario adjunto está actualizado a fecha de 4/22/2026. Para obtener información actualizada sobre los medicamentos cubiertos por Retiree RxCare, por favor contáctanos. Nuestra información de contacto aparece en la portada de este documento. Si hay algún cambio en este formulario a mitad de año, enviaremos a los miembros un aviso de cambio.

## **¿Cómo uso el formulario?**

Hay dos formas de encontrar tu medicamento dentro del formulario:

### **Condición médica**

La lista del formulario se encuentra en este documento. Los medicamentos de este formulario se agrupan en categorías según el tipo de afecciones médicas que se utilicen para tratar. Por ejemplo, los medicamentos utilizados para tratar una afección cardíaca se listan en la categoría "Cardiovascular, hipertensión / lípidos". Si sabes para qué se usa tu droga, busca el nombre de la categoría dentro de la siguiente lista de medicamentos. Luego busca en la categoría de tu medicamento.

### **Listado alfabético**

Si no tienes claro en qué categoría buscar, deberías buscar tu medicamento en el Índice que comienza en la página 68. El Índice proporciona una lista alfabética de todos los medicamentos incluidos en este documento. Tanto los medicamentos comerciales como los genéricos están listados en el Índice. Mira en el Índice y encuentra tu medicamento. Junto a tu medicamento, verás el número de página donde puedes encontrar información sobre cobertura. Ve a la página que aparece en el índice y encuentra el nombre de tu medicamento en la primera columna de la lista.

## **¿Qué son los medicamentos genéricos?**

Retiree RxCare cubre tanto medicamentos de marca como genéricos. Un medicamento genérico está aprobado por la FDA por tener el mismo principio activo que el medicamento comercial.

Generalmente, los medicamentos genéricos funcionan igual de bien y suelen costar menos que los medicamentos de marca. Existen sustitutos genéricos para muchos medicamentos de marca. Los medicamentos genéricos suelen sustituirse por el medicamento comercial en la farmacia sin necesidad de una nueva receta, dependiendo de las leyes estatales.

## **¿Qué son los productos biológicos originales y cómo están relacionados con los biosimilares?**

En el formulario, cuando nos referimos a medicamentos, esto podría significar un medicamento o un producto biológico. Los productos biológicos son fármacos más complejos que los fármacos típicos. Dado que los productos biológicos son más complejos que los medicamentos típicos, en lugar de tener una forma genérica, existen alternativas llamadas biosimilares. En general, los biosimilares funcionan igual de bien que el producto biológico original y pueden costar menos.

Existen alternativas biosimilares para algunos productos biológicos originales. Algunos biosimilares son intercambiables y, dependiendo de las leyes estatales, pueden sustituirse por el producto biológico original en la farmacia sin necesidad de una nueva receta, igual que los medicamentos genéricos pueden sustituirse por medicamentos de marca.

Para la discusión sobre tipos de fármacos, consulte la Evidencia de Cobertura, Capítulo 3.1, "La 'Lista de Medicamentos' indica qué fármacos de la Parte D están incluidos."

## **¿Hay alguna restricción en mi cobertura?**

Algunos medicamentos cubiertos pueden tener requisitos o límites adicionales en la cobertura. Estos requisitos y límites pueden incluir:

- **Autorización previa:** Retiree RxCare requiere que tú o tu prescriptor obtengáis autorización previa para ciertos medicamentos. Esto significa que necesitarás obtener la aprobación de Retiree RxCare antes de surtir tus recetas. Si no obtienes la aprobación, puede que Retiree RxCare no cubra el medicamento.
- **Autorización previa B/D:** Este medicamento requiere una autorización previa para determinar si está cubierto por la Parte B o la Parte D de Medicare. Se requiere información adicional de usted o de su médico para tomar una decisión antes de que pueda surtir su receta. Si no obtienes la aprobación, Retiree RxCare puede no cubrir el medicamento y serás responsable del coste total del medicamento, o de enviarlo a tu plan de salud de Medicare.
- **Límites de cantidad:** Para ciertos medicamentos, Retiree RxCare limita la cantidad del medicamento que cubrirá Retiree RxCare. Por ejemplo, Retiree RxCare proporciona 30 por receta de Zolpidem Tartrato 10mg. Esto puede ser adicional a un suministro estándar de uno o tres meses.
- **Terapia por escalones:** En algunos casos, Retiree RxCare requiere que primero pruebes ciertos medicamentos para tratar tu condición médica antes de cubrir otro medicamento para esa condición. Por ejemplo, si tanto el Medicamento A como el Medicamento B tratan tu condición médica, Retiree RxCare puede no cubrir el Medicamento B a menos que pruebes primero el Medicamento A. Si el Medicamento A no te funciona, Retiree RxCare cubrirá entonces el Medicamento B.

Puedes averiguar si tu medicamento tiene requisitos o límites adicionales consultando la lista del formulario contenida en este documento. También puedes obtener más información sobre las restricciones aplicadas a medicamentos cubiertos específicos visitando nuestra página web.

Hemos publicado documentos en línea que explican nuestra autorización previa y las restricciones de la terapia escalonada. También puede pedirnos que le enviemos una copia. Nuestra información de contacto, junto con la fecha en que actualizamos por última vez el formulario, aparece en la portada de este documento.

Puedes pedir a Retiree RxCare que haga una excepción a estas restricciones o límites, o una lista de otros medicamentos similares que puedan tratar tu estado de salud. Consulta la sección "¿Cómo solicito una excepción al formulario de Retiree RxCare?" en la página 5 para información sobre cómo solicitar una excepción.

### ¿Y si mi medicamento no está en el formulario?

Si tu medicamento no está incluido en este formulario (lista de medicamentos cubiertos), primero debes contactar con Servicios al Miembro y preguntar si tu medicamento está cubierto. Este documento incluye solo una lista parcial de los medicamentos cubiertos, por lo que Retiree RxCare puede cubrir tu medicamento. Para más información, por favor contáctanos. Nuestra información de contacto, junto con la fecha en que actualizamos por última vez el formulario, aparece en la portada de este documento.

Si descubres que Retiree RxCare no cubre tu medicamento, tienes dos opciones:

- Puedes pedir a Servicios a Miembros una lista de medicamentos similares que estén cubiertos por Retiree RxCare. Cuando recibas la lista, muéstrasela a tu médico y pídele que te recete un medicamento similar que esté cubierto por Retiree RxCare.
- Puedes pedir a Retiree RxCare que haga una excepción y cubra tu medicamento. Consulta a continuación información sobre cómo solicitar una excepción.

### ¿Cómo solicito una excepción al formulario de Retiree RxCare?

- Puedes pedir a Retiree RxCare que haga una excepción a nuestras normas de cobertura. Hay varios tipos de excepciones que puedes pedirnos que hagamos.
- Puedes pedirnos que cubramos un medicamento aunque no esté en nuestro formulario. Si se aprueba, este medicamento estará cubierto a un nivel predeterminado de coste compartido, y no podrá pedirnos que

proporcionemos el medicamento a un nivel de coste compartido más bajo.

- Puedes pedirnos que renunciemos a una restricción de cobertura que incluya autorización previa, terapia escalonada o un límite de cantidad de tu medicamento. Por ejemplo, para ciertos medicamentos, Retiree RxCare limita la cantidad del medicamento que cubriremos. Si tu medicamento tiene un límite de cantidad, puedes pedirnos que lo eximamos y cubramos una cantidad mayor...

Generalmente, Retiree RxCare solo aprobará tu solicitud de excepción si los medicamentos alternativos incluidos en el formulario del plan, el medicamento de menor coste compartido o la aplicación de la restricción no son tan efectivos para ti y/o te causan efectos adversos.

Tú o tu prescriptor debéis poneros en contacto con nosotros para solicitar una excepción al formulario, incluyendo una excepción a una restricción de cobertura. **Cuando solicites una excepción, tu prescriptor tendrá que explicarte las razones médicas por las que necesitas la excepción.** Por lo general, debemos tomar nuestra decisión en un plazo de 72 horas desde que recibimos la declaración de apoyo de tu prescriptor. Puedes solicitar una decisión rápida (y rápida) si crees, y estamos de acuerdo, en que tu salud podría verse gravemente dañada si esperas hasta 72 horas para una decisión. Si estamos de acuerdo, o si tu prescriptor solicita una decisión rápida, debemos darte una decisión a más tardar 24 horas después de recibir la declaración de respaldo de tu prescriptor.

### ¿Qué puedo hacer si mi medicamento no está en el formulario o tiene alguna restricción?

Como miembro nuevo o continuo en nuestro plan, puede que esté tomando medicamentos que no están en nuestro formulario. O puede que estés tomando un medicamento que está en nuestro formulario pero que tiene cobertura restringida, como la autorización previa. Deberías hablar con tu prescriptor sobre solicitar una decisión de cobertura para demostrar que cumples los criterios de aprobación, cambiando a un medicamento alternativo que cubrimos, o solicitar una

excepción al formulario para que cubramos el medicamento que tomas. Mientras tú y tu médico decidís el plan de acción adecuado para ti, podemos cubrir tu medicamento en ciertos casos durante los primeros 90 días que seas miembro de nuestro plan.

Para cada uno de tus medicamentos que no esté en nuestro formulario o tenga restricciones de cobertura, cubriremos un suministro temporal de 30 días. Si tu receta se prescribe por menos días, permitiremos renovaciones para proporcionar hasta un suministro máximo de 30 días de medicación. Si la cobertura no lo es

Aprobado, tras tu primer suministro de 30 días, no pagaremos por estos medicamentos, incluso si llevas menos de 90 días siendo miembro del plan.

Si eres residente de un centro de cuidados a largo plazo y necesitas un medicamento que no está en nuestro formulario o si tu capacidad para obtener tus medicamentos es limitada, pero has superado los 90 días de membresía en nuestro plan, cubriremos un suministro de emergencia de 30 días de ese medicamento mientras solicitas una excepción al formulario.

**Nota:** Si eres residente de un centro de cuidados a largo plazo, te permitiremos renovar tu receta hasta que te proporcionemos un suministro de transición de 30 días, consistente con el incremento de dispensación (a menos que tengas una receta prescrita para menos días). Después de tu primer suministro de 30 días, no pagaremos estos medicamentos,

incluso si llevas menos de 90 días siendo miembro del plan. Si necesitas un medicamento que no está en nuestro formulario o si tu capacidad para obtener tus medicamentos es limitada, pero has pasado los primeros 90 días de membresía en nuestro plan, cubriremos un suministro de emergencia de 30 días de ese medicamento (a menos que tengas receta para menos días) mientras solicitas una excepción al formulario.

Para los miembros actuales, que estén en un centro de cuidados a largo plazo o que estén atravesando cambios en su nivel de atención, Retiree RxCare permitirá hasta un suministro de medicación por un mes.

**Ejemplos de cambios en el nivel de atención pueden incluir:**

- Alta de un hospital a un hogar (es decir, residencia asistida, cuidados a largo plazo (LTC) o domicilio privado) acompañada de una lista de medicamentos que no siempre consideran la lista de medicamentos del plan debido a la naturaleza temporal de la visita hospitalaria.
- Terminación de una Parte de Medicare Una estancia en un centro de enfermería especializada (donde los pagos incluyen todos los gastos de farmacia)
- Baja de los cuidados paliativos
- Dejar una estancia en un centro de cuidados a largo plazo y regresar a la comunidad.
- Alta de hospitales psiquiátricos con regímenes farmacológicos altamente individualizados.
